

5th International Trauma Course Berlin

incl. Sawbone & CadLab Workshop

April 19 – 20, 2024

Dear Course Participants,

It is our great pleasure to welcome you to our 5th International Trauma Course in Berlin. During the course we will focus on the various osteosynthesis types that can be performed with the **LOGTEQ** Anatomical Plating System. The relevant surgical techniques will be explained during the first day, so that on the second day practical experiences can be shared on a well-grounded theoretical knowledge. Please join us for an exciting workshop with active discussions and efficient exchange of experiences.

► **Prof. Dr. med. Gabor Szalay**

Owner of the practice at the sports clinic and medical director of the sports clinic, Bad Nauheim

► **Dr. med. Ulrich Leyer**

Head of Department of Trauma, Reconstructive and Hand Surgery AGAPLESION BETHESDA Hospital Wuppertal

► **Prof. Dr. med. Sven Scheffler**

Specialist in orthopaedics and trauma surgery Partner of the Sporthopaedicum in Berlin

► **Prof. Dr. med. Sven Märdian**

Senior Consultant, Head of Section Trauma Surgery and Musculoskeletal Tumor Surgery, Berlin
